**CAMBRIA SOLUTIONS MAKES INC. MAGAZINE 5000 FOR SIXTH TIME IN A ROW**

SACRAMENTO, Calif. – August 12, 2015 — Cambria Solutions, Inc., a national information technology and management consulting firm, today announced that it for the sixth year in a row it is being recognized by Inc. Magazine as one of the fastest growing private businesses in the country. This places Cambria within an elite group of companies to achieve this rare accomplishment.

Each year Inc. Magazine recognizes businesses that have experienced significant growth in revenue and market presence. The list represents the most comprehensive look at an important segment of the economy—America’s independent entrepreneurs. Companies such as Yelp, Pandora, Timberland, Dell, Domino’s Pizza, LinkedIn, Zillow, and many other well-known names gained early exposure as members of the Inc. 5000.

“We’re thrilled to be receiving this tremendous honor,” said Cambria CEO Robert Rodriguez. “This success is a direct result of our incredibly talented team who has worked with amazing clients, some of whom have put their trust in us for more than a decade.”

The 2015 list is the most competitive crop in the list’s history. The average company on the list achieved a mind-boggling three-year growth of 490%. The Inc. 5000’s aggregate revenue is \$205 billion, generating 647,000 jobs over the past three years. Only a tiny fraction of the nation’s companies have demonstrated such remarkably consistent high growth, particularly in the difficult economic environment of the past few years.

This is the seventh time overall that Cambria has received this prestigious acknowledgement.

“Our Health Care and Human Services practice has led the way for us with over 65% of our business. Our complementary Government Solutions practice has also worked on some of the most high profile projects in the country. It’s been a great combination,” said Rodriguez. “We’ve had an exciting adventure over past three years, as we’ve opened four new offices and have worked in 10 states. We are extremely grateful to our clients for their confidence in us.”
