

## **CAMBRIA SOLUTIONS OFFICE FEATURES AMAZING NEW LOGO PAINTING**

*Renowned performance artist David Garibaldi paints Cambria's new logo.*

What happens when you bring together performance painter (and finalist on NBC's "America's Got Talent") David Garibaldi, the Sacramento Children's Home, and Cambria Solutions? Voila! A beautiful new painting of Cambria's logo, prominently displayed in the lobby of Cambria's Sacramento headquarters.

The unique piece of art came about as the result of David's generous donation of two custom paintings for a recent Sacramento Children's Home auction and fundraising event. Having recently launched Cambria's new look, CEO Robert Rodriguez saw the opportunity to help out an organization close to all of our hearts and, at the same time, add extraordinary pieces of art to the office. When the bidding was over, Cambria Solutions was the winner! The project was completed recently, when David hosted members of the Cambria team to watch him create the logo and another painting of Albert Einstein.

"We wholeheartedly support the Sacramento Children's Home," said Rodriguez. "Every day, they are literally changing the lives of children and setting them on a path for a brighter future. And watching David paint was fascinating. Anyone who has seen David's work is amazed at his talent and creativity. We certainly were blown away."
