

**Cambria Solutions Recognized by Inc. Magazine as a
Fastest-Growing Private Company – The Inc. 5000**

Cambria Ranks 2,721 on the Inc. 5000 for the 8th Time

SACRAMENTO, Calif., August 14, 2019—[Cambria Solutions, Inc.](#), an award-winning national technology and management consulting firm, has been ranked 2,721 on Inc. Magazine’s [Inc. 5000](#) list. The Inc. 5000 is the most prestigious ranking of the nation’s fastest-growing private companies.

“This is a significant designation for Cambria,” said Cambria CEO Robert Rodriguez. “We have a committed and expanding team with a growth mindset that contributes to our purpose of helping our clients innovate and deliver results for the public good. Because of this, our clients put their trust in us to help drive their most critical and complex IT and business transformation initiatives.”

Rodriguez added, “The company is at the forefront of change in the health and human services sector nationally and has been a leader in the expansion of digital services across government agencies, which have led to our solid and sustainable growth.”

The 2019 Inc. 5000 includes an elite group of innovative and inspiring companies. The companies represented on this year’s list achieved an astounding three-year average growth of 454 percent with a median rate of 157 percent. 2019 marks the eighth time Cambria has appeared on the list in its 16-year history.

“As we continue to grow, we spur economic development by providing job opportunities. We also hire great people and stay engaged locally,” said Rodriguez. “Just last week, we had more than 120 employees volunteer at both the Sacramento Food Bank and the Greater Baton Rouge Food Bank. We have proved that we can rapidly grow our business and give back to our communities at the same time because we care about doing both.”

The Inc. 5000 companies’ aggregate revenue topped \$237.7 billion in 2018, accounting for 1,216,308 jobs over the past three years. Microsoft, Yelp, Dell, LinkedIn, Zillow, and many other well-known companies gained their first national exposure as honorees on the Inc. 5000.

More about Inc. and the Inc. 5000**Methodology**

The 2019 Inc. 5000 is ranked according to percentage revenue growth when comparing 2015 and 2018. To qualify, companies must have been founded and generating revenue by March 31, 2015. They had to be U.S.-based, privately held, for profit, and independent—not subsidiaries or divisions of other companies—as of December 31, 2018. (Since then, a number of companies on the list have gone public or been acquired.) The minimum revenue required for 2015 is \$100,000; the minimum for 2018 is \$2 million. As always, Inc. reserves the right to decline applicants for subjective reasons. Companies on the Inc. 500 are featured in Inc.'s September issue. They represent the top tier of the Inc. 5000, which can be found at <http://www.inc.com/inc5000>.
