**CAMBRIA SOLUTIONS NAMES SUZANNE VITALE CONSULTING DIVISION PRESIDENT
Technology and Management Consulting Firm Readies for Continued National Growth**

SACRAMENTO, Calif., October 16, 2019 – [Cambria Solutions, Inc.](#), an award-winning national technology and management consulting firm, has named Suzanne Vitale as president of Cambria’s Consulting Division to drive the continued growth of Cambria’s core consulting services. Vitale will transition to the position in January 2020.

In her current role as senior vice president, Vitale leads the company’s largest geographic market, and has grown the business segment to more than 50% of total company revenues. As a member of Cambria’s senior leadership team for nearly five years, she has played an integral role in the company’s business and national expansion strategy. Vitale has been actively involved in executing the company’s growth strategy and many of its largest and most complex transactions.

Cambria Founder and CEO Robert Rodriguez will continue to steer Cambria’s long-term business strategy and new investments.

“Suzanne is recognized for her ability to forge major client relationships, with a strong focus on leading with innovation, commitment to our people and core values, and consistently delivering value for the public good,” said Rodriguez. “She has the leadership track record and strong command of our business that I believe are critical to leading Cambria’s continued growth.”

Prior to joining Cambria, Vitale served in executive positions for large, complex public sector agencies at the federal, state, regional and local levels across the spectrum of the health and human services systems.

“In a few short years, we’ve grown our capabilities and staff to deepen our focus on bringing technology, digital and business transformation solutions in a scalable way to the public sector,” said Vitale. “We are doing this while maintaining our commitment to our incredible culture, and by supporting our teams as they deliver the high-quality service our customers have come to expect.”

Cambria Solutions was recently recognized as one of the nation’s fastest-growing private companies by Inc. Magazine. This year’s recognition marks the eighth time Cambria has appeared on the list in its 16-year history.

“As we continue to grow our national footprint, we want to build upon Suzanne’s expertise and executive leadership,” said Rodriguez. “I’m confident she will lead us into new areas and build upon our stellar track record, as she’s proven her leadership and strategic capabilities time and again.”
