CAMBRIA SOLUTIONS ANNOUNCES NEW CORPORATE OFFICE IN BATON ROUGE, LA

Technology and Management Consulting Firm Establishes Roots to Support LA Government Agencies

(SACRAMENTO, CA November 12, 2019) – [Cambria Solutions, Inc.](#), an award-winning national technology and management consulting firm, has opened a corporate office in Baton Rouge at One American Place 301 Main Street. Cambria was founded in 2003, and is headquartered in Sacramento, California.

Cambria currently works with the Louisiana Department of Health (LDH) Project and Portfolio Management Office (PPMO) to support its Medicaid IT replacement project and other enterprise projects across the agency. As part of the PPMO services to be delivered, Cambria brings its innovative project management techniques, deep understanding of the latest technologies, and lean-agile transformation methodologies that will enable the Medicaid agency to transform and achieve its business and IT goals. Cambria is also a qualified contractor to provide IT Staff Augmentation services in agile, project management and systems development work to the Division of Administration, Office of Technology Services (OTS) and their partner agencies.

In the communities in which the team works, Cambria is committed to making purposeful investments. For Baton Rouge this means stimulating local economic growth by locating the new office in the redevelopment district of downtown, hiring locally, and partnering with LSU and local small businesses. By the end of this year, Cambria will employ more than 50 staff members dedicated to serving expansion efforts in Louisiana.

“Helping government agencies implement new systems and programs is what we do, but why we do it is grounded in supporting people in meaningful work that makes a difference,” said

Suzanne Vitale, Cambria's Consulting Division president. "We look forward to establishing deep and lasting roots here in Louisiana."

Cambria is a member of the Baton Rouge Area Chamber, has established a relationship with the LSU Career Office, and has volunteered at the Greater Baton Rouge Food Bank as part of the Cambria Cares Initiative, a company-wide program dedicated to local service and giving back.

"This is our eighth office nationwide, with a footprint of more than 5,000 square feet in the heart of downtown," said Cambria CEO and Founder Robert Rodriguez. "It's exciting to be part of an integral part of Louisiana's vision for business growth, sustainable communities and innovative government services."
